Dear Ann,

What can I say? It's been a long seven years now since I have been following your case and mentally daring the Supreme Court to rule against you. Congratulations on this very important win that you've gained for all of us!

Thanks too, for all the crap, embarrassment, doubtful days, and loss of money that you've experienced due to this case. But, Ann, it was worth it! As all of us who aspire for excellence in our chosen fields, we take a boost from your gutsy courage, your determination, your aggressiveness, and your heroism. As a professional, your successful career speaks for itself.

Kudos and hugs to you today. (I just got my copy of Time). Price Waterhouse and those like them deserve their hero, Ollie North. Take the week off and celebrate--cheers!

Sincerely,

Karen A. Burke Bru
